Tarikere is a Town Municipality and it is seen from the records that the MC Ch. has, during the visit of the Minister for Revenue & Supplies to their Town, on the 5th Nov '44, on the occasion of the presentation of an address to him, incurred an expenditure of Rs 80/- It is supported by the resolution of the MC Ch a copy of it has been enclosed in the records, submitted for reference As the expenditure actually incurred has exceeded the maximum amount allowed by the GO of 27.11.'41 issuing instructions for the strict observance of economy in connection with the public reception and

and presentation of addresses by the local bodies ~~out of this expenditure~~ a sum of Rs 16-8-0 ~~has been~~ reported to have been spent on flowers + garlands + band which are items on which no expenditure on the part of any local body is observed therein to be legitimate.

This expenditure amounting to Rs 16½/- is disallowed by the D.C in his report. He recommends sanction to the remaining part of the expenditure aggregating Rs. 64-8-0, as it has been in respect of certain necessary & inevitable items of expenditure sanctioned in the G.O. Here it may be noted the maximum limit of expenditure allowable is only Rs 50/- in respect of the Town Municipalities. D.C's recommendation has not been made without observations called for on the occasion although the observation is not totally correct He remarks that "the expenditure should have been limited to Rs 25/- as already instructed" when the proposal of the M.C. had been for the first time forwarded to them for favour of obtaining govt. sanction in the matter. As the Municipality in question is a Town Municipality it is empowered to spend money out of its funds on such of the occasions as the one in question to an extent not exceeding Rs 50/-

Expenditure incurred by the Tarikere T. M. C. for presentation of an address to the Minister for Revenue & Supplies during November 1944.

D.C's requests for the sanction of Rs 64-8-0 which exceeds the statutory limit by Rs 14-8-0 put up.

A draft G.O. is proposed sanctioning the recommendation of the D.C with observations, if any necessary, with which the M.C. may be asked. If the amount recommended by the D.C were to be sanctioned, action would still be necessary to fix the responsibility for the amount of Rs 16-8-0 & to recover & credit the same to the funds of the Municipality.

Submitted a copy of economy orders & the records for favour of reference & orders.

The above case appears to be unnecessary

Draft proceedings for approval & other orders

The entire expenditure of Rs 80 already incurred may perhaps be sanctioned as a special case by the Tarikere Municipality but in future, the standing instructions in this behalf should be strictly adhered to.
